Dear Ms. Mellor,

On behalf of the Board of Trustees, staff, and our 400 members, I want to thank you for your very generous donation of \$3,838 to Dance/USA.

For 26 years Dance/USA has provided service and leadership to dance artists, companies, and supporting organizations throughout the United States. Our research and data gathering, professional development programs, and advocacy efforts at the national level serve the entire dance industry.

We are currently developing new initiatives that will help the field respond to some of its most pressing concerns. They include groundbreaking research on dance audiences which will be done in partnership with our member companies and presenters and a study of audience engagement practices.

Again, thank you for this generous contribution. Your support will help insure that Dance/USA has the resources necessary to provide these important programs to the national dance field in the years ahead.

Sincerely,

Andrea E. Snyder
President and Executive Director
